

Fortunate!

Ashleigh Caswell - Director of Sales & Marketing - Hibiscus Court

Fortunate! That's what we are!. Brevard residents are fortunate. We are all fortunate to live on the Space Coast, fortunate to have such great weather, fortunate to have so many interesting things in our backyard and fortunate that we are a community that supports each other.

With a picture perfect location, and the rich history of the space coast, we are fortunate to have a unique and wonderfully diverse senior population, the likes of which are no where to be found. In my five years in Brevard, through my work with Hibiscus Court Assisted Living, I have been fortunate to have met many centenarians, WWII veterans, retired CIA, FBI, NASA space race engineers, women who broke barriers and forged new paths, former teachers, nurses, and caregivers who have all benefited from the senior resources and educational opportunities here in Brevard.

We are fortunate that we have a wealth of resources for our seniors including organizations like Helping Seniors of Brevard and that they have generous benefactors like AJ Hiers, of Boniface-Hiers Family of Dealerships, and Joe Steckler, of Helping Seniors of Brevard. Together, they have been a force for good in our area.

Year after year, AJ has supported organizations in Brevard that help others. He was fundamental in helping Joe Steckler get the Joe's Clubs going. For years, AJ provided transportation on a daily basis to individuals with Alzheimer's to and from the Adult Day Care centers. He has been known to generously support individuals in times of need without asking for anything in return.

This year AJ has taken his care for seniors to a new level - he just generously donated a sleek, black, full-restored 1951 Ford Victoria, from his own personal collection, to Helping Seniors because he wanted to help Joe Steckler in his work and he knows that there are seniors here in Brevard that need support.

This amazing Classic Car is NOT just a car. This is an American icon on wheels. This is something you need to see in person. The proceeds from the sale of raffle tickets will help sustain Helping Seniors of Brevard and their mission to improve the quality of life for seniors through information, education and resources.

You can do your part and buy a raffle ticket. Show your appreciation to AJ for selflessly donating this timeless American classic by supporting the cause and making his donation worthwhile. The 1951 Ford Victoria will be making appearances around town until the February 10 2018 raffle drawing at the American Muscle Car Museum. You can find the appearance schedule online at HelpingSeniorsofBrevard.org/classic. Raffle tickets are \$25 and can be purchased by calling 321-473-7770, mailing to Helping Seniors - P.O. Box P.O. Box 372936 - Satellite Beach FL 32937, or by visiting us online at HelpingSeniorsofBrevard.org.

We are fortunate that AJ has given us a great incentive to contribute to and support our community of seniors through Helping Seniors of Brevard. Thank AJ if you see him - or, better yet, buy a few raffle tickets and help fund the vision of Helping Seniors. **SS**
