Knowledge College for Aging
& Wellness Series Events.

Dr. Rosemary Laird, Geriatrician and Principal Investigator with ClinCloud Clinical Trials shares on Advances in Memory Care at Helping Seniors 4th Thursday Education Series

“The beautiful thing about learning is nobody can take it away from you.”

- B.B. King

Our Helping Seniors 4th Thursday Education Series is fun, informative and entertaining morning out! More Seniors are adding 10am-12nn each 4th Thursday of each month to their calendar to join their friends for a free Knowledge College for Aging Care Nurse Practitioner Tami Leeberg, recently spoke on Senior Series talk at Joe’s Senior Resource Center of Brevard, located 2nd floor of the Apollo Professional Tower at 1344 S Apollol Blvd, Melbourne. The Knowledge College workshop is a fast-paced synopsis of topics that are important to development of your own “Aging Plan” - what Joe’s Senior Resource Center. Visit Helping Seniors likes to call “Getting Your Ducks in Row.”

Recent Knowledge College topics about this month’s sessions!

have included topics such as “Safe Banking for Seniors”, from PNC Branch Manager Jackie Erickson, to Aging Plan Legal Matters with Board Certified Elder Law Attorney Ruth Rhodes.

Following the Knowledge College talk, the 4th Thursday Wellness series introduces topics important to maximizing our Health. Board Certified Adult & Geriatric Primary Nurse Practitioner Tami Leeberg, recently spoke on Senior Series talk at Joe’s Senior Resource Health from a Mind and Body perspective and Gabriella Rosario, of Family Home Care, shared on tech advances in Home Care monitoring and safety.

All sessions are free - with snacks provided as well as door-prizes - at Joe’s Senior Resource Center. Visit HelpingSeniorsOfBrevard.org or call us at (321) 473-7770 to learn about this month’s sessions!

Big Fun at the American Muscle Car Museum
Sunday October 26, 2025

The major annual fundraiser for the 100% local-to-Brevard Helping Seniors Charity returns!

Now is the time for the 9th Annual Helping Seniors Car Raffle - where our winner chooses from among 7 amazing car choices when we pull the winning ticket Sunday afternoon October 26th at the American Muscle Car Museum!

This year’s raffle offers up Winner’s Choice of a brand new Chevrolet Colorado Pickup (just like Jim Neumann, of Cocoa, last year’s winner, selected), a Mitsubishi Outlander (just like Diane Pelak, 2023 winner chose), a Mazda3 sedan or Mazda Miata Convertible, a Jeep Compass Sport, a Dodge Hornet or a Kia Sportage. A.J. Hiers, of Boniface Hiers family of dealerships once again helps us to facilitate the fun of the Grand Drawing.

And, while the Car Raffle is “need not be present to win”, the Grand Drawing, at Mark Pieloch’s American Muscle Car Museum, 3500 Sarno Road, Melbourne, is a special opportunity to tour Mark’s fast-growing collection of nearly 500 cars inside, as the museum is not open to the general public.

Your donation for a ticket - 1 for \$25 or 5 for \$100 - supports the work of Helping Seniors - and each ticket is an entry in the Raffle as well as your ticket to the 1pm-4pm Sunday afternoon Grand Drawing & Car Show event at the Museum.

It’s a family friendly event - and each adult is welcome to bring 2 kids (10 and under) to attend as well - making this a perfect automotive family experience!

In addition to Mark’s amazing car collection inside, the museum grounds will also feature a variety of classic, exotic and fun cars on display as local auto enthusiasts gather for this fun event.

Get your tickets and be in it to win it! Tickets are available at all Boniface Hiers Auto Dealerships, at HelpingSeniorsCarRaffle.com, or by calling Helping Seniors Helpline at (321)473-7770.

We look forward to meeting our 2025 winner and hope it is you!
