

The 9th Annual Helping Seniors Car Raffle Fundraiser

1pm-4pm Sunday October 26th at the American Muscle Car Museum

So many cars to enjoy on Sunday afternoon, October 26th, at the American Muscle Car Museum, located at 3500 Sarno Road, Melbourne Florida!

It's the 9th Annual Helping Seniors Car Raffle fundraiser for charity - to support the work of Helping Seniors into its 15th year of service in the Space Coast - and it makes for a pleasant automotive-filled "Sunday at the Museum" on the last Sunday in October.

Thousands will converge at the museum to check out the amazing collection (some say largest in North America) at Mark Pieloch's museum with nearly 500 top condition cars inside!

In addition to the great cars inside, the "Afternoon at the Museum" expands to include a "Best of the Best of the Best" Car Show featuring more than 125 great cars on display from among Brevard's Top Car Collectors.

Better still, as this all takes place on the last weekend in October, the Car Owners are setting up for an afternoon

Helping Seniors Team at the American Muscle Car Museum - (L-R) Carlos Cuesta (Synergy HomeCare); Tisha Hill (Raymond James); Ashleigh Caswell (Rolle IT) & Kerry Fink (Helping Seniors).

Trunk-or-Treat (while supplies last!) outside for kids to enjoy! Helping Seniors is billing it as the largest "Trunk-or-Treat" in Brevard.

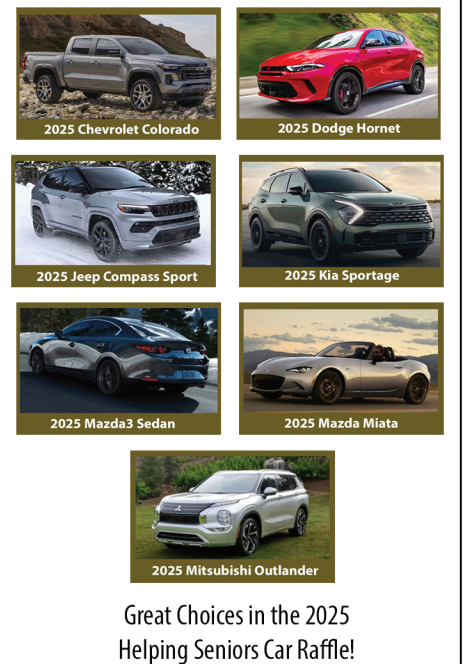

Tickets to the event (each ticket is also an entry into the Car Raffle Grand Drawing that takes place at the end of the afternoon) are \$25 each - or a bundle of 5 tickets is available for \$100 donation to the Helping Seniors 501(c)(3) nonprofit.

Because this is designed as a family-friendly event, each adult ticket holder is invited to bring up to 2 kids, 10 & under

to the event, at no extra cost, to explore everything going on that afternoon.

Soda, water and chocolate chip cookies are provided with museum compliments (while supplies last) and Curingo's Food Truck is on site offering food for purchase as well for those looking for burgers, hot dogs and great sandwiches.

Inside, too, is the fun of our 50/50 Raffle, as well as great resources and information to assist Seniors and families find top quality help in all things aging.

Great Choices in the 2025
Helping Seniors Car Raffle!

The big fun is towards the end of the afternoon as everyone gathers around the golden barrel and the Winning Ticket is pulled. The winner picks from 1 of 7 great cars from Boniface-Hiers family of great dealerships.

Tickets are available on-site day of the event, but save time and skip the line by getting tickets ahead of time. Tickets are available all Boniface-Hiers auto dealers, at the Helping Seniors Resource Center at 1344 S Apollo Blvd 2nd Floor in Melbourne, by calling at (321) 473-7770 or online at HelpingSeniorsCarRaffle.com

As they often say, you got to be in to win it and, no matter who wins, it will be a fun "Sunday at the Museum" and for a good cause!

A Fun & Family-Friendly "Sunday Afternoon at the Museum" awaits 1pm-4pm Sunday October 26th at the American Muscle Car Museum.

The 9th Annual Helping Seniors Car Raffle is part of the fun of "Sunday Afternoon at the Museum" and each ticket is an entry in the Car Raffle for Charity Grand Drawing.
