Coffee with a Cop

10am Wednesday June 16th at the Senior Resource Center

Joe Downs, Brevard County Sheriff's Office speaking at Brevard Commission on Aging

You'd be hard pressed to find a better friend to Seniors than Joe Downs, of the Brevard County Sheriff's Office. For years, he has led the Senior safety charge through innovative programs like Project Lifesaver - designed to protect and locate individuals with cognitive disorders who are prone to wandering.

Joe also is the County's go-to among Law Enforcement as the various agencies seek his lifetime of experience and his special focus when it comes to cases involving our Seniors.

Join us for a casual and easy-going conversation with Joe Downs, 10am Wednesday morning, June 16th at the Helping Seniors Resource Center, 1344 S Apollo Blvd - 2nd Floor.

It a free event and special thanks to Dunkin' for providing the "Java with Joe" and maybe even a few of their tasty snacks as well! We are also grateful to Rhodes Law for helping make this series possible as well.

The best prevention comes from great planning and Helping Seniors is always focused on helping our Senior community find ways to stay safe - physically, financially and emotionally - and having our friend Joe Downs share with us at "Coffee with a Cop" at the Senior Resource Center is a great step in the right direction! See you there! Call us at (321) 473-7770 to RSVP!
